

Task – Making the Trip

Define the Gap

Which component(s) of the Success for Every Student model need attention?

Be Deliberate

Use researched best-practice strategies.
Differentiate to meet individual needs.

Get Creative

Use the word 'else' as in

- How else might we solve the problem?
- Where else might a solution come from?
- What else haven't we thought of yet?

Recognize and Deal with the Issues

Identify the resources you need – human, emotional, tangible
– and locate them.

List the specific actions to be taken

Assign names to actions

Are we there yet?

Construct a feedback loop using criteria you established at the beginning.

Complete the 'topic' column of the RAFT and please plan to share your map with the rest of us.
